About the Property

A truly one-of-a-kind opportunity to create a custom coastal residence in one of Ocean City's most coveted neighborhoods the Gardens. Ideally situated across the street from the beach, with ocean and bay views, this rare buildable lot offers the opportunity to bring your vision of elevated island living to life. Offered with thoughtfully designed architectural plans by Asher Slaunwhite & Partners, the property provides the foundation for an extraordinary single-family residence designed to embrace its spectacular coastal setting. The homesite offers ample space for a private pool, outdoor entertaining areas, generous parking, and the seamless indoor-outdoor lifestyle that defines life at the Shore. Buyers also have the opportunity to work with Georgetti Construction, one of the area's mo ...
