About the Property

This like-new townhome checks every box a buyer could ask for. Set on an oversized 70x100' corner lot, it lives like a single-family home over 3,100 sq ft of living space plus 1,604 sq ft of ground-level storage. Built just six years ago as a personal residence for the owner of Vallese Builders, this six-bedroom, four-and-a-half-bath home was finished with every upgrade imaginable, and 9- and 10-foot ceilings throughout add to the open, airy feel. The first floor offers an open layout with a well-appointed kitchen, walk-in pantry, dining area, and spacious living room, opening onto a private balcony perfect for morning coffee or evening sunsets. Two bedrooms one with its own private balcony plus a full bath and powder room complete this level. The second floor holds four more ...
