About the Property

Once Upon a Time at the Jersey Shore There was a place where summer mornings began with salty air drifting through the windows, sandy feet were always welcome, and the best days ended together beneath a painted Jersey Shore sunset. This beautifully furnished five-bedroom, 3.5-bath coastal home offers something many dream about a place at the Jersey Shore where generations can gather and memories can be made. Built just three years ago, the home was designed for gathering. The main level is where everyone comes together morning coffee around the kitchen, family dinners after a long day at the beach, and evenings spent relaxing by the gas fireplace. With an open living and dining area, eat-in kitchen, laundry room, half bath, and a first-floor bedroom with its own full bathroom, there ...
