About the Property

Custom-built 2004 Cape Cod at 4008 Bayshore Road in Lower Township, New Jersey, minutes from downtown Cape May's beaches, restaurants, and shops. This 4-bedroom, 3.5-bath home offers 2,605 square feet of living space across 13 rooms on a private, one-acre corner lot with 151 feet of frontage. Inside, a cathedral-ceiling great room centers on a gas fireplace and opens to a sun-filled dining room framed by columns. The eat-in kitchen features white cabinetry, a blue center island, farmhouse sink, and stainless steel appliances including a gas range and self-clean oven. A first-floor library study and a bright sunroom add flexible living space. The primary suite includes a soaking tub, separate shower, and walk-in closet. Wood, tile, and wall-to-wall carpet flooring run throughout. Outside, ...
