## About the Property

It's time to experience oceanfront Sanderling living in this beautiful, must see condo. Fully renovated in 2023, this first floor, south side residence at The Sanderling combines timeless coastal style with thoughtful, modern updates. With beautiful ocean views, a spacious south facing balcony, and easy elevator access, this is a wonderful place to enjoy all that Stone Harbor has to offer. Unit 11 offers approximately 1,430 square feet of beautifully designed living space, along with a generous balcony accessible from both the primary suite and family room. The open and inviting floor plan features engineered hardwood floors, elegant, coffered ceilings, and a comfortable living room with a gas fireplace. The chef's kitchen is both beautiful and practical, with stainless steel applia ...
