About the Property

This is a special opportunity to own a wonderful 5-bedroom 6 bath home in one of the island's most sought after locations, just one home back from Avalon s beautiful beaches. Nestled just 60 from the beach path and three short blocks to the heart of town, this spacious three-floor home has it all 5 spacious bedrooms, two large living family rooms, and, importantly, five decks, four of which overlook the ocean. The current owners have never rented the home, and it is immaculately maintained. They recently refurbished the pool, complete with resurfacing and retiling, and an entire new sun washed patio - and it is beautiful! This is a must-see and call for your appointment!
