About the Property

Unobstructed wetland views and beautiful sunsets are right in your backyard at this second floor condo in Sea Isle City. This 3 bedroom, 2 bath condo offers exceptional outdoor space and a comfortable living area with slider access to the wrap around back deck, bringing in natural light and extending the living space outdoors. With plenty of room for dining and seating, the deck is an ideal spot to relax, entertain, and enjoy the views. Just about three blocks from the beach, this condo features off street parking and puts shopping, tennis courts, parks, recreational fields, and nightlife all just steps away. Spend the day at the beach, head out for dinner, or enjoy the many activities nearby. Opportunities like this don't come along often! ...
