About the Property

Welcome to 506 Hand Avenue, where a complete transformation has turned this home into something truly special! Once overlooked, this property has been beautifully reimagined from top to bottom, with virtually everything brand new except the foundation. This is more than a renovation it s a fresh start with modern design, quality finishes, and a layout designed for today s lifestyle. This beautifully renovated rancher features 4 bedrooms and 3 full bathrooms, including TWO PRIMARY SUITES, each with its own private en-suite bathroom! Whether you need room for extended family, guests, or simply want the flexibility of two private retreats, this home delivers. The kitchen is the showpiece of the home, featuring a massive 5-foot island topped with gorgeous quartz countertops, a striking ma ...
