About the Property

Welcome to 601 Seagrove Avenue, a rare Cape May Point offering where coastal charm, exceptional property size, and future possibilities come together. Built in 1955 and lovingly maintained by the same family since 1992, this inviting home blends timeless character with numerous updates, including updated plumbing and electrical systems, newer HVAC, a natural gas fireplace, a hot cold outdoor shower, and a roof replaced in 2019 with ridge and eave vents for optimal ventilation. Situated on an oversized approximately 104' x 105' lot totaling 10,920 square feet, the property enjoys a tranquil setting with protected open space across the street, providing beautiful views and added privacy. The spacious two-car garage offers ample storage, while the rear garden beds are served by an irrigation ...
