About the Property

Welcome to 202 18th Street, a true Ocean City gem where coastal charm, modern luxury, and an unbeatable location come together! Offering the space, privacy, and feel of a single-family home without the single-family price tag, this exceptional side-by-side townhouse truly stands apart! Perfectly situated on the desirable oceanside of Ocean City, directly along the bike path, this extensively updated 3-bedroom, 2.5-bath, 1712 sqft two-story home offers the perfect blend of style, comfort, and convenience. Gorgeous curb appeal, manicured landscaping, and a private entrance welcome you into a bright, expansive open-concept floor plan ideal for entertaining or relaxing after a day at the beach. The stunning, fully renovated kitchen is a standout feature, boasting abundant cabinetry, generous c ...
