About the Property

A One-of-a-Kind Contemporary Retreat in Beautiful Cape May Point! If you have traveled through picturesque Cape May Point over the years, chances are this distinctive three-story contemporary home has caught your eye! Truly one of a kind, this 1985 coastal retreat offers a unique architectural design, generous living spaces, and an abundance of outdoor decks that capture the natural beauty of this extraordinary seaside community. Words and photographs simply cannot do it justice! The views are spectacular! From the multiple decks, including an incredible rooftop deck, enjoy breathtaking views of the Atlantic Ocean, Cape May Point Park Lake, and the iconic Cape May Lighthouse. Whether watching the morning skies come alive, enjoying the coastal breezes, or taking in Cape May Point's unforget ...
