About the Property

Rarely available, this 3-bedroom, 2-bath bayfront condominium at Stone Harbor Waterfront offers a hard-to-find combination of bay access and a true park-and-walk location. The complex features a dedicated swimming area on the bay, convenient access for launching paddleboards and kayaks, elevator access to the unit, and a location just steps from downtown Stone Harbor. Unit 102 is outfitted with 3 spacious bedrooms and 2 updated bathrooms. The primary bedroom is bayside and includes an ensuite bath, while the two additional bedrooms are serviced by a hall bathroom. An open-concept floorplan spans through the main living areas, with a large kitchen flowing directly into the dining area and family room. Through a set of sliding glass doors just off the family room, an expansive deck spans t ...
