About the Property

Incredible Beach Block value! Located just seven parcels from the beach on one of the islands highest streets, this beautifully maintained 4- bedroom, 2-bath home offers both beach and bay views. Two large, maintenance-free front decks provide the perfect setting to enjoy the coastal breeze, while the oversized 55-foot lot features an extra-large fenced backyard with plenty of room for entertaining and ample off-street parking. Inside, hardwood flooring and a kitchen with a stainless-steel appliance package complement the home's inviting coastal feel. Never rented and offered fully furnished, this property is ready for your immediate enjoyment. No history of flooding in this highly elevated beach block location. A fantastic opportunity to own on the beach block at an exceptional price. Eas ...
