About the Property

A collaboration between DANDRA Developers, Winfield Developers, Halliday Architects, and Ford Design Studio, 4202 Fifth Avenue is a new-construction waterfront estate on Blue Fish Harbor in Avalon's coveted Fingers neighborhood. Southwest-facing, with sunset views over the water, the six-bedroom residence spans three levels and blends refined architecture, fine craftsmanship, and resort-style amenities. Interiors feature white oak flooring, Colonial Craft custom cabinetry, and curated lighting and plumbing fixtures. The second-floor living area brings together a living room anchored by a gas fireplace, a dining space, and a chef's kitchen with Sub-Zero refrigeration, a 48" Wolf dual-fuel range, dual Cove dishwashers, a Miele coffee station, and a walk-in pantry. A wet bar, a dry bar, and ...
