About the Property

SPECTACULAR custom built corner house located in the Margate Parkway area. A sensational large wrap-around porch sets the stage for gracious shore living and a lovely way to enjoy your morning beverage and relax later in the afternoon. Of the 6 bedrooms and 4 baths, the main floor contains a big bedroom suite with its own stunning bath. The main floor has an expansive open floor plan that encompasses a stunning living room with a fireplace which spills out to a big dining room area and a gourmet kitchen which makes cooking enjoyable. Off the kitchen is a deck with barbecue. The house is light and bright and perfect for a high end vacation stay. Beautiful high end hard wood floors throughout first floor. The second floor features a gorgeous master bedroom suite which includes a sitting ...
