About the Property

Back on the market. Buyers financing fell through. Welcome to this beautifully updated and fully furnished 4-bedroom, 2-bathroom home, just steps away from the scenic Maurice River! This spacious residence boasts two comfortable living areas, perfect for family gatherings or entertaining guests, along with a dedicated dining room and a well-appointed, open kitchen that will delight any home chef. Step outside to enjoy the expansive backyard, offering plenty of room for outdoor activities and leisure. Major updates completed in 2022 include new HVAC, hot water heater, septic, well, and water system, ensuring comfort and efficiency. With ample attic space, and all appliances included, this property combines convenience with charm. Don't miss your chance to own this move-in ready gem. ...
