About the Property

Welcome to Cedar Glen West, a peaceful and quiet 55+ community offering easy, maintenance-free living! This Co-op covers it all—roof repairs, landscaping, snow removal, and even general interior maintenance—so you can enjoy life without the hassle. This move-in ready rear unit offers added privacy and an abundance of storage, including a spacious walk-up attic. Inside, you'll find low-maintenance hardwood floors, a bright and functional kitchen, and a generously sized bedroom. Worried about parking when guests visit? No problem—your private driveway fits two cars comfortably. Conveniently located, affordable, and well maintained—schedule your tour today and see all that Cedar Glen West has to offer!
