About the Property

You are going to love this home. There are TWO lots on this property. The main house (lot14) has 4 bedrooms and 2.5 baths. It features, full kitchen, dinning room, laundry and powder room. In addition it has a first floor bedroom/den./office The bonus to this main house, is a second structure (lot 13), located on property as well. The second structure is currently used for storage but the possibility are endless. Both structures are surrounded by flowers, landscaped, and an extra long driveway for parking. This is a can't miss deal...2 for the price of one...
