About the Property

Will be back soon! Construction underway. Sweetwater. Riverfront. Luxury. Tranquility. Nature. Peace. Dreams. There are so many words to describe what this home is going to bring to its new lucky owners. This home is in the beginning phases of a major reconstruction which could allow you, as the buyer, to be a part of that process! All aspects of this house will be NEW, efficient and up to current standards. The interior design consists of 4 bedrooms and 3 full baths. Lots of open living space with windows galore that will give you gorgeous panoramic views of the scenic Mullica River and the protected, unbuildable wooded lands across the river (lots of privacy!) The gourmet kitchen will be equipped with Timberlake Cabinetry in a timeless color of Barnett Linen, soft close and pull out sh ...
