About the Property

This unique single family home is perfectly situated on a wide street that offers peace and quiet while still being just a short stroll to an array of great restaurants and local hotspots. This one of a kind home stands out with its striking and unusual design offering a rare blend of artistry and function. This home offers a private state of the art endless pool, perfect for swimming laps or low impact workouts right at home and a spacious roof deck providing the ideal spot for sunset views, gatherings or quiet moments under the stars. Enjoy partial views of the bay offering a serene backdrop. The bright white kitchen serves as the heart of the home featuring clean lines and abundant light. Don't hesitate .. make this yours !!!!
