## About the Property

Bayfront bliss. Welcome to your dream Bayfront retreat in Ventnor, a rare opportunity to own a fully compliant, turn-key waterfront home with dramatic water views from nearly every room. This professionally decorated and designed 3-bedroom, 2-bath home offers a perfect balance of modern amenities, low-maintenance living, and unbeatable outdoor space. The open-concept interior features a creative layout designed to capture the views and natural light. The primary suite impresses with a cozy fireplace, private lounge area, and panoramic southern exposure over the bay. Step outside to a thoughtfully designed waterfront deck, ideal for dining or relaxing. A retractable awning with side curtains extends your living space and creates a shaded retreat -- perfect for use 9 months of the year. ...
