About the Property

Tucked beneath a canopy of pines and hardwoods, this rare wooded retreat totals approximately 9.39 acres—7.49 acres on S 1st Rd combined with 1.9 acres on Seventh St—and will be sold and deeded together. The property includes a conventional 2-bedroom, 2-bath log cabin that is being completely updated and remodeled; interior photos are coming soon. The setting feels private and nature-forward while remaining a short drive from Hammonton's dining, shopping, and conveniences. Outdoors is where this address shines. The acreage invites a true fresh-air lifestyle—picture a deck for alfresco dinners, a stone fire-pit terrace for cool evenings, a hammock grove under the trees, and meandering woodland trails for morning walks. There's ample room to plan gardens, orchard rows, a future out ...
