About the Property

Welcome to this beautifully maintained 4-bedroom, 2.5-bath colonial home offering over 2,300 square feet of living space plus a finished basement. Situated on a wooded lot in the Sycamore subdivision with plenty of room for a pool, this property combines privacy, comfort, modern updates, & a roomy floorplan. Step inside to find gleaming hardwood floors throughout the first floor and fresh neutral paint that creates a warm, inviting feel. The main level includes a formal dining room, a versatile living room/office with French doors, and a spacious family room featuring a cozy gas fireplace. The open-concept eat in kitchen is open to a bright and large morning room, perfect for casual dining or entertaining. Easy access with sliding door to the rear deck just updated with brand-new composi ...
