About the Property

STUNNING ranch that will make you say WOW when you open the front door! Enter off the large front deck into this gorgeous Mediterranean beach feel home with a unique gourmet island kitchen and open living space. The inviting kitchen features an Italian brass & white ILVE 6 burner gas stove & double oven, 2 THOR under counter drawer refrigerators, beautiful huge quartz countertop island for entertaining along with an additional area for dining. The floors are a unique hardwood design TILE flooring that enhances the whole look of the home. The home also features 2 more decks on the side and back of the house. The back yard is perfect for enjoying every season with an AG pool, deck, and enclosed screened gazebo with hot tub. SO much potential to make this your dream shore home or full-time re ...
