About the Property

Welcome to 194 Yorktown Boulevard, tucked inside The Meadows — one of Hammonton's most peaceful and well-kept communities. This spacious three-bedroom, two-and-a-half-bath townhome stands out from the crowd — most units here have only two bedrooms. With 1,508 square feet of living space, there's room to spread out and make it your own. The layout flows naturally — a large family room for gatherings, an eat-in kitchen, and sliding doors that lead to your private fenced backyard with six-foot vinyl fencing, a patio, and a handy storage shed. Upstairs, you'll find three true bedrooms and two beautifully renovated full baths. Expect furniture-grade vanities, upgraded tile work, designer lighting, and a level of craftsmanship that stands apart. The primary suite has its own full bat ...
