About the Property

Welcome to this spectacular 4-bedroom, 4-bath, architecturally designed three-story home in Ventnor, offering breathtaking bay views from every balcony. With 9-foot ceilings and Andersen windows throughout, this property combines elegant craftsmanship with modern comfort. The gourmet kitchen features custom maplewood cabinetry, stainless steel appliances, and granite countertops—perfect for entertaining or family gatherings. The living area includes a gas fireplace and opens to one of several balconies where you can enjoy the coastal breeze—hardwood flooring throughout the home. Additional highlights include a dual-zone HVAC system for optimal comfort on every level, a full-size garage with extra storage, and a convenient dumbwaiter to transport groceries or bulky items to the upper fl ...
