About the Property

Welcome to 1853 McCall Ave — an expansive 4.37-acre rancher offering land, privacy, and exceptional versatility. With 5 total bedrooms and 3 full bathrooms, this property works beautifully as a spacious single-family home, a rental income opportunity, or a layout that supports multigenerational living. The main residence includes 3 bedrooms, 1 full bath, a generously sized kitchen, and a bright, open living room ideal for gatherings. Attached to the main home is a completely separate in-law suite, featuring 2 additional bedrooms, 2 full bathrooms, a private entrance, its own electric meter, a full kitchen, dedicated washer and dryer, and a charming four-season sunroom perfect for added living or relaxation areas. A partially finished, full basement adds even more potential for storage, h ...
