About the Property

Enjoy effortless bayfront living in this beautifully remodeled 3-bedroom, 2-bath first-floor residence offering expansive water views and an abundance of natural light throughout. Thoughtfully updated with coastal-inspired finishes, this home features an open and airy layout designed to maximize bay views from multiple living spaces. A versatile cabana room adds exceptional flexibility and can be used as a home office, playroom, or additional living space—ideal for today's lifestyle. Step outside and embrace waterfront living with easy access to the bay and marina atmosphere just beyond your door. The private boat slip can fit up to a 20 foot boat. Don't forget the attached 2 car garage with additional 1 car parking in driveway. Whether used as a primary residence, second home, or investment property...
