About the Property

This exceptional new construction by one of the island's premier builders will offer five spacious bedrooms and four-and-a-half luxurious baths, complemented by a four-stop elevator, soaring ceilings, and a thoughtfully designed open-concept layout. Multiple decks enhance the home's indoor-outdoor living, highlighted by a rare 25' x 14' covered veranda overlooking a 41' x 21' backyard retreat with a generously sized pool. High-end finishes include durable HardiePlank® siding, Andersen windows, a three-zone HVAC system, and premium tile and hardwood flooring throughout. Designed for year-round entertaining, this residence seamlessly blends style, comfort, and functionality—creating the perfect setting for gathering with family and friends in every season. ...
