About the Property

Rarely does an in-town Ocean City condo offer this level of space, light, and outdoor enjoyment. Unit G at The Haven on Eighth features 1,780 square feet of interior living space, interiors professionally curated and built by L&D Design and Construction, and two open decks positioned to enjoy sunset views over the bay thanks to the building's premium corner location. The open-concept layout is ideal for entertaining, while the study provides flexible use as a fourth bedroom or family gathering space. Additional conveniences include elevator service, covered garage parking, and the opportunity to work with the design team on finishing details when purchased early.
