About the Property

This charming & well maintained home will not disappoint! One owner home that was built in 1999 & was well cared for. Lovely living room with a gas fireplace, full dining room and large kitchen with island and granite counters. Back deck with sliders for easy kitchen access for grilling and entertaining. Three bedrooms with 2 full baths upstairs and another bedroom or flex room on the first floor, with a separate outside entrance with new storm door in addition to the interior entrance. Pull down floored & insulated attic for storage & ADT alarm system. Large lot size, 100 X 102 gives you ample space for the kiddies, pets and gardening. Above ground pool with new liner & pump for those hot summer days. Quiet safe neighborhood and the house sits right off Broad for added privacy. Less than ...
