About the Property

Completely rebuilt from the ground up, this West Atlantic City home offers a rare opportunity to own essentially brand-new construction. The beautiful Pacific Blue siding is breathtaking. This home was thoughtfully reimagined, all is new, including framing, systems, mechanicals, windows, roof, and finishes throughout. The layout is designed for modern living, with a light-filled interior and a flexible floor plan ready to be customized to your taste. The kitchen and bathrooms have been left unfinished, giving the next owner the freedom to select their own cabinetry, countertops, fixtures, and finishes — a true blank canvas to create a personalized dream space without the cost and disruption of a full renovation. Two Master Bedrooms, one Downstairs and One upstairs. Stainless Steel Appl ...
