About the Property

The perfect shore home to create unforgettable summer memories available for the month of July. This 4-bedroom, 2.5-bath beauty is ideally situated on a fabulous wide street just 1.5 blocks from the surf, sand, and boardwalk, and only moments from local favorite coffee shops, dining, and shopping. A bright sunroom welcomes you inside and opens to a spacious living room with an inviting seating area centered around the fireplace. Hosting family and friends is effortless in the formal dining room, which flows seamlessly into the eat-in kitchen and nearby powder room. Upstairs, the primary bedroom features a king bed and access to a large deck, perfect for soaking in ocean views and refreshing sea breezes. A second king bedroom sits next door, with two additional bedrooms down the hall offeri ...
