About the Property

Welcome to Ventnor City. Don't let the exterior fool you—this spectacular five-bedroom, 2.5-bath home is far more expansive than it appears. Ideally located just moments from the beach in the historic St. Leonard's Tract, one of Ventnor's most sought-after island neighborhoods, the property offers over 3,400 square feet of living space plus a fully finished 1,200-square-foot basement—providing exceptional room for both everyday living and entertaining. A stunning architectural sunroom overlooks the backyard, creating the perfect setting for relaxing or hosting gatherings. The first and second floors feature hardwood flooring throughout, a gas fireplace that enhances both the living and dining rooms, and a bright bonus room filled with natural light—ideal for a quiet retreat.
