About the Property

Welcome to 817 Fernwood Avenue, a charming ranch-style residence that blends classic character with inviting everyday comfort. Offering approximately 1,000 square feet of living space, this 3-bedroom, 1.5-bath home delivers a warm, functional layout with flexible spaces designed to adapt beautifully to a variety of lifestyles. From the moment you arrive, the home's welcoming façade and low-maintenance exterior set the stage for what awaits inside. Step through the front entry and into a bright, spacious living area where natural light filters through multiple windows, creating an open and relaxed atmosphere. Wood-look laminate flooring anchors the space, offering durability and continuity as the living room flows effortlessly toward the heart of the home. Whether you're unwinding after ...
