About the Property

Stunning new construction single-family home offering 5 bedrooms, 3.5 baths, and approximately 2,400 square feet of thoughtfully designed living space in Ocean City's desirable North End. Built by Surfside Construction, this home delivers quality craftsmanship, coastal elegance, and modern functionality just moments from the beach and boardwalk. The exterior showcases timeless coastal architecture with James Hardie siding, cedar shake accents, AZEK trim, fiberglass decks with white vinyl railings, Andersen sliders, and a welcoming front entry. The rear yard is fenced in and includes a paver patio. An attached garage includes epoxy flooring, concrete driveway, outside shower, and multiple deck spaces complete the shore lifestyle package. Large foyer includes luxury vinyl flooring and boar
