About the Property

Stop searching for your Shore home—this is it! This highly desirable Allendale model offers convenient first-floor living at its finest in a bright and spacious end-unit filled with natural light. Features include 9' ceilings, an attached one-car garage, and a French door leading to a private patio. This 2-bedroom, 2-bath home has been thoughtfully updated with newer appliances and professionally painted kitchen cabinetry. The huge fully finished basement provides exceptional additional living space—perfect for a recreation area, home office, or guest space. Designed with accessibility in mind, the home features 36-inch doorways and a ramped entry, allowing for comfortable mobility throughout. Built with added safety: builder-installed residential fire sprinkler system. Clubhouse ...
