About the Property

Welcome to 911 2nd Street...this charming 3bed/ 1bath ranch style home sits on an oversized lot in one of the most desirable areas of Northfield ..This inviting home has been lovingly maintained / from the covered front porch to the great floorplan makes this a perfect starter home. Beach house, or great for empty nesters! There are 3 nice size bedrooms shared by tiled hall bath, full attic w/plenty of storage space. .spacious sunny living room that opens to large bright & airy kitchen..perfect for entertaining and family dinners..off the kitchen is a cozy family room w/.vaulted ceilings and gas fireplace ..to the back of the house sits a small room perfect for extra office/ game room or just a large pantry for those Costco runs :) did I mention the partially finished basement ...
