### About the Property

Very unique setup...charming corner-lot home that looks, feels, and lives like a single-family residence. This front unit of a proposed 3-unit condominium offers approximately 1,500 sq. ft. of open, inviting living space with 4 bedrooms and 2 full bathrooms (see associated documents for condo survey). The beautifully renovated interior features an updated kitchen with granite countertops, a large center island, modern cabinetry, and stainless steel appliances, along with tastefully updated bathrooms. A versatile bonus room can easily serve as a fourth bedroom, home office, or additional living space. Newer flooring flows throughout, complemented by hardwood floors, while major upgrades include vinyl siding, newer windows, central air, and efficient heating for year-round comfort. The prope ...
