About the Property

Welcome to luxury waterfront living on the bay in the sought-after Gold Coast of Brigantine. This exceptional custom-built home offers 6 bedrooms, 5.5 bathrooms, three spacious primary suites, and breathtaking water views, creating the perfect combination of luxury, comfort, and coastal lifestyle. Designed for both entertaining and everyday living, the home features an open and inviting layout highlighted by a stunning shiplap fireplace wall in the third-floor family room with a gas fireplace and expansive windows that capture spectacular bay views. An elevator provides convenient access from the garage level to the third floor, making all levels easily accessible. The gourmet chef's kitchen is equipped with premium appliances and custom finishes including quartz countertops, custom Ke ...
