About the Property

Welcome to 776 Fairview Ave in Hammonton. This meticulously kept home, cared for by its original owners, defines pride of ownership at every turn. The main floor features a beautiful, large kitchen with granite countertops that flow effortlessly into the adjoining dining room and family room, creating a perfect space for gatherings. A lovely formal living room, a convenient powder room, and interior access to the 2-car attached garage complete this level of the home. Upstairs, you will find a peaceful primary suite featuring its own private en-suite bathroom, along with two additional bedrooms and a second full hallway bath. The home offers even more versatility with a partially finished basement that provides easy access from the interior as well as Bilco doors for convenient entry from ...
