About the Property

Showings Start Friday 3/20!! Discover refined coastal living in this beautifully reimaged 4-bedroom, 2.5-bath in one of Northfield's most desirable neighborhoods, offering exceptional flexibility with a dedicated office, expansive playroom/recreation room, sunroom, and a large bonus studio above the garage.

Thoughtfully designed for both everyday living and entertaining, this home blends timeless charm with stylish updates and an unusually versatile layout. - At the heart of the home, the renovated kitchen features beautiful marble countertops, a tucked-away beverage bar, and an easy flow into the dining area and sunroom. Filled with natural light, the sunroom overlooks the garden and backyard, creating a warm and inviting space for morning coffee, casual meals, or relaxed gatherings. ...
