About the Property

Welcome to Village Grande at English Mill, showcasing the highly sought-after Coventry model with over 2,400 square feet, making it the LARGEST floor plan in the community and one of its most sought-after layouts. This home has been extensively updated throughout and truly shows like a MODEL HOME. New wide-plank white oak hardwood flooring runs through the main living areas, and the kitchen has been completely redone with quartz countertops, upgraded cabinetry, and under-cabinet lighting, creating a clean, modern feel the moment you walk in. The entire home has been freshly painted, with new carpet in all bedrooms, loft, and stairs, making it truly MOVE-IN READY. The layout offers great functionality with a first-floor primary suite featuring two walk-in closets and a private en suite bath ...
