About the Property

This spacious 1918 historic home is full of character and ready for its next chapter. It offers 3 bedrooms plus an extra room that could be used as a 4th bedroom, office, or guest space. The first floor features a formal dining room, an updated kitchen, and a comfortable living room with a fireplace. Just off the living room is a bright sunroom with tons of windows, perfect for relaxing. There's also a first floor laundry area and a nicely updated half bath. Beautiful hardwood floors run throughout the home. Upstairs, you'll find three bedrooms, an additional bonus room, and a full bathroom, along with a screened-in balcony for some outdoor space. The basement offers plenty of storage and includes an upgraded electrical panel, newer tankless hot water heater, and a newer high-effici ...
