About the Property

Welcome home! This well-maintained 2-bedroom, 1-bath property features a recently installed new roof. Enter through the back porch into a convenient mudroom with pantry closets and basement access with washer/dryer hookups. The eat-in kitchen flows into a spacious living room and enclosed front porch. You'll also find first-floor bedrooms and bath, plus a large bonus room upstairs. Outside offers a private spot perfect for relaxing or picnicking, along with a generously sized garage for parking, storage, or a workshop—all set on nearly an acre.
