About the Property

Location, location, location! 1602 Wesley sits on a prime piece of Real Estate on a corner lot in the heart of Ocean City. This location features incredible ocean views while being across the street from the beach, only steps to the beach and boardwalk, but still far enough away from the commercial areas giving you quiet nights on your front porch while staring at the ocean! This home was fully renovated in 2022 and has all of the modern touches you would expect. When you walk inside you will notice the beautiful hardwood floors, quartz counter tops, tile bathrooms, and to top it off it comes beautifully furnished. Enjoy the exterior space with a large wrap around deck. 1602 also has great rental history but it is also perfect for a second home as well! ...
