About the Property

Coastal Chic in the Heart of Ventnor! This beautifully refreshed 3BR/1.5BA townhouse offers the ultimate "Between the Beach & Bay" lifestyle. Extensively renovated in 2024-2025, this home is truly move-in ready and designed for modern comfort. The bright, open-concept main level features brand-new luxury flooring, a fresh modern paint palette, and a newly added powder room. The flow is perfect for entertaining, leading from the spacious living area to a functional kitchen and dedicated laundry/utility room. Upstairs, discover three serene bedrooms and a full bath. Notable updates include a newer roof, efficient natural gas heat, and all-new fixtures throughout. The exterior is just as inviting with a classic enclosed front porch, private fenced yard, and a must-have outside shower for rins ...
