About the Property

This fully renovated beach-block townhouse offers the ultimate shore lifestyle—perfect as a vacation escape or year-round residence. A sprawling wraparound covered front porch welcomes you into a bright, open-concept living space and beautifully designed kitchen. The chef's kitchen is a showstopper, featuring an oversized island, quartz countertops, Fisher and Paykel/JennAir appliances, custom cabinetry, abundant storage, and direct access to a covered deck—ideal for entertaining. The second floor includes two generously sized bedrooms with ample closet space and each offering access to a large covered wraparound deck. A full hall bath with double sinks and a tub completes this level. The entire third floor is dedicated to the private primary suite, offering a full bath, sitting area ...
