About the Property

Natural Light is flooding this bright and airy 4 bedroom, 3 full bath with gleaming hardwood floors throughout! Enter through the second level deck, you immediately can appreciate the open floor plan, living and dining room with gas fireplace, extra large kitchen flanked by wrap around islands, plenty of seating for everyone! Cozy sitting room right off kitchen allows family and friends to gather and entertain! Also on this level is a large laundry room and full bath! This home boasts 4 covered decks on both levels, 2 in front and 2 in back with fabulous views of the Bay and surrounding scenic neighborhood! Fabulous place to enjoy cooking out and spending time outdoors! Upper level has 4 bedrooms, including the Primary ensuite with massive walk-in closet, primary bath and linen closet, th ...
