About the Property

under contract back up offers only Welcome to this charming 3-bedroom, 2.5-bath single-family home nestled on a wooded lot just shy of half an acre in desirable Galloway Township. Step inside to find a warm and inviting layout highlighted by an energy-efficient wood stove—perfect for cozy nights and reducing heating costs. The home is also equipped with solar panels (owned not leased) providing long-term savings and sustainable living. Additional upgrades include a brand new deck, sprinkler system with private well, new pool liner in 2022 and newer windows throughout. Outdoors is where this property truly shines. Enjoy your own backyard retreat featuring an in-ground pool ideal for entertaining or relaxing all summer long. The expansive, wooded lot offers privacy and space rarely found ...
